

Perrysburg Health and Wellness Center

Perrysburg Health and Wellness Center
1090 W. South Boundary St. Suite 200
Perrysburg, OH 43351
Phone: 567-331-2500

MISSION OF THE HEALTH CENTER

To provide the opportunity for the employees to have access to quality health care that is dedicated to improving and maintaining the health and wellness of the employees, spouses, and dependents eligible to participate.

HEALTH CENTER SERVICES

A Board Certified Primary Physician, Registered Nurse, and Medical Assistant will be conducting office hours in the health center throughout the week as outlined above.

Health center services include onsite primary care, convenient care, annual physicals, medication dispensing, laboratory services, health & wellness screening, disease education/management and lifestyle coaching.

Do you take a medication that we can provide or need a lab draw that we can perform?

Contact us!

You asked... WE LISTENED

All medical services are now available any day you choose during health center hours.

We are here for you!

Come meet the new health center provider Dr. Kenneth Power. Dr. Power specializes in family medicine with over 20 years of experience caring for patients of all ages. We would love to see you.!

HOURS

Monday	7:30am to 4:30pm
Tuesday	7:00am to 4:00pm (updated hours)
Wednesday	Closed
Thursday	9:00am to 6:00pm
Friday	7:30am to 4:30pm

SCHEDULE APPOINTMENTS

Visits can be scheduled by participants:

On-line at: <https://clinic.wecaretlc.com>

Or

By calling: **567-331-2500**

Do you have outside labs or medication prescriptions? We can help! Bring your outside prescriptions to a provider appointment to determine if it can be dispensed with free medications available on the health center formulary. We can also complete most outside lab orders in the health center without you seeing the provider.

COMMITTED TO IMPROVING AND MAINTAINING THE HEALTH OF EMPLOYEES AND THEIR FAMILIES

COST

These health center services are offered at **no expense** to the participant. Visits, formulary medication, and laboratory testing are provided at **\$0 out-of-pocket** expense for participants. There are **no deductible** limits to be met.

IN PERSON

New patient visits are scheduled for 40 minutes and routine visits are scheduled for 20 minutes or longer if needed. The physician or nurse practitioner can provide primary care, treat routine conditions, and/or provide urgent/convenience care. Education, wellness, and preventative care are the building blocks of the individualized health care initiatives in the health center.

PARTICIPATION

Participation in the health center is totally voluntary. Participants that elect not to utilize the health center will continue to receive health benefits as provided by your employer with all of the Plan deductible/co-pay/network provisions.

To participate in the health center, we recommend that a Health Risk Assessment (HRA) and fasting laboratory work be completed as a baseline for further medical care. The risk factors identified in our HRA are:

- Diabetes
- Heart Disease
- Obesity
- COPD
- Asthma
- Cancer

POINTS TO REMEMBER

All health information within the health center remains confidential. No personal health information (PHI) is shared with your employer in any way.

A secure Electronic Medical Record protects all participant information and ensures confidentiality and privacy.

If questions or concerns arise, or you simply want to voice satisfaction, you may call the WeCare tlc Satisfaction Hot Line at **800-941-0644**, choose option **4**.
